RE: Distribution of Dietary Supplements

Dear Dr. Miles:

As required by the Food and Drug Administration, I am hereby notifying you as representative of the Food and Drug Administration within 30 days of first marketing the following dietary supplements:

The names of the four products are the following:

NEAR™

FAR™

NEAR & FAR™

TIRED EYES™

Enclosed are the four individual labels pertaining to each product (please see page two). Each label includes the required statement "These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease."

I have on file substantiation for the nutritional support statements presented on the labels.

If you have any questions, please do not hesitate to contact me.

Sincerely,

*Roxanne Kubicek*
